WELCOME FUTURE PMU ARTIST

I'm Ana — and I train artists the way I wish *I'd been trained.*

I'm the founder and CEO of Anabrowsmaker, a permanent makeup studio and academy in Orlando, Florida, with more than 7 years of professional experience and a 5-star Google rating. I teach permanent eyebrows, lips and eyeliner tattoo — and every class is built around practice, not theory slides.

My students come from everywhere: some already took a course elsewhere and didn't get results, some start from zero, some are already nail techs, stylists, lash artists or estheticians, and some are nurses getting ready to leave the hospital. The training meets you where you are.

WHAT MAKES THIS TRAINING DIFFERENT

01

TATTOO ARTIST LICENSE

Florida requires a Tattoo Artist License to perform permanent makeup. Your course includes it, so you finish legally ready to work.

02

PROFESSIONAL CERTIFICATION

A Certificate of Completion that documents your training — the proof clients and employers ask to see.

03

PREMIUM PROFESSIONAL KIT

A complete premium kit with the dermograph machine, needles, pigments, practice skins, stencils, mapping tools and your Master Manual.

04

LIFETIME TELEGRAM SUPPORT

You join my private Telegram group where I review your practice work, share tutorials and give guidance. Access is forever — no expiry date.

Every course in this catalog includes all four. They are not add-ons and they are not priced separately — whether you take a one-day intensive or the two-day Brows 3T, you finish licensed, certified, equipped and supported.

THE STUDIO BEHIND THE ACADEMY

YOUR PREMIUM KIT, UP CLOSE

You don't leave with notes. You leave with *a business.*

The premium professional kit is built around the dermograph machine and carries the needles, the pigment set for your technique, practice skins, stencils and mapping tools — plus your printed Master Manual.

Alongside it you get the consent form formats and the marketing tips you need to actually open: how to price the service, photograph the result and bring the first clients in.

TWO-DAY COMBINATIONS · PRIVATE 1:1 · $2,500 EACH

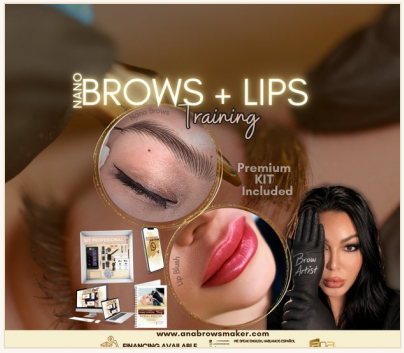

PMU Brows & Lips together — *the highest-value client.*

Included in every PMU course: **Tattoo Artist License** (required in Florida), Certificate of Completion, premium professional kit with dermograph machine, Master Manual, lifetime Telegram support, PMU Artist Pro Method, consent forms, marketing tips, lunch and snacks.

These two-day private programs pair a brow technique with the lip curriculum, so you can offer a full-face permanent makeup package instead of a single service. Dates are yours to choose.

> **Why it matters commercially.** A client who books PMU Brows & Lips together is worth roughly double at the same chair time — and she's far more likely to come back to you for her touch-ups instead of shopping around.

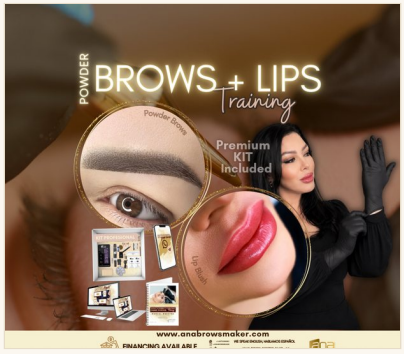

Nano Brows & Lip Tattoo Blush — $2,500

2 DAYS · PRIVATE 1:1 · ORLANDO

Machine hair strokes plus the full lip blush curriculum — two premium services, learned back to back over two days of hands-on work.

WE HEAR THESE QUESTIONS ALL THE TIME

Do I need prior experience?

No. The trainings take you from the beginning, step by step. Students arrive from zero, from other beauty services, or from courses elsewhere that didn't give them results.

Do I really get a license?

Yes. Florida requires a Tattoo Artist License to perform permanent makeup, and it's included in your training along with your Certificate of Completion.

How long does support last?

Forever. You join my private Telegram group where I review your practice work, share tutorials and give guidance. There is no expiry date on your access.

Can I practice on real models?

Yes, during your course and after it. Beyond your training models you can bring your own by appointment — the model pays a fee of just $150 and you pay nothing.

I trained elsewhere and got no results.

You're in good company — a lot of my students come exactly from that. We start from the technique itself and rebuild it properly, hands-on.

Can I change my course date?

Yes — call me and we'll move it. Keep in mind the deposit that holds your place is non-refundable.
